

February 2011 Starlight

February 1, 2011

From the East

In February we celebrate Valentines day which represents Love and Friendship. Let's not forget to spread our friendship to others. Let's visit our shut-ins, chapters in our section, send a card, make a phone call. Go to a school to read a book, volunteer in the office, classroom. These efforts make someone's life brighter, even if it's just for a short time.
